

Heavy Duty Finger Cots - F500

Manufacturing Standard: ASTM D3772-15 (2021)

Product Code

F500

M, L or XL

T

Features

Made from natural rubber Latex, Least pre-powdered, White or Transparent Color, Textured, Unrolled, Thicker thickness.
Available size, Medium, Large, X-Large.
Textured surface on tip for 25 to 30 mm long, ensuring easy & tightly gripping devices.

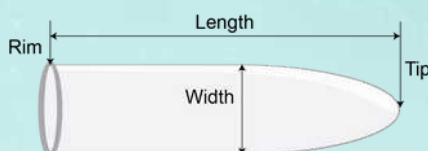

Application

General purpose for safety on human skin and protecting devices from contamination.
For use in handling rough surface devices, gardening, agricultural item processing, or handling fish.

For medical purpose covering first aid bands over cuts on fingers.
Conforming (EU) 2017/745 MDR under CE registration no. DE/CA22/00176812

Mass & Dimensional Information;

		<u>Small</u>	<u>Medium</u>	<u>Large</u>	<u>X-Large</u>	<u>XX-Large</u>	<u>Remarks</u>
a. Average mass per piece	g		0.80 ± 0.05	0.88 ± 0.05	1.00 ± 0.05		
b. Width at mid & flat	mm		27 ± 2	29 ± 2	33 ± 2		
c. Length with rim (Rolled)	mm		70 ± 2	70 ± 2	70 ± 2		Adjustable
d. Rim thickness	mm		1 ± 0.2	1 ± 0.2	1 ± 0.2		Adjustable
e. Film thickness in double walls	mm		0.40 ± 0.04	0.40 ± 0.04	0.40 ± 0.04		Adjustable
f. Thickness at tip	mm		> 0.40	> 0.40	> 0.40		Adjustable

Length & Thickness are adjustable to meet customer's requirement

Physical Properties

- | | | |
|---------------------|-----|--------|
| a. Tensile Strength | Mpa | > 18 |
| b. Elongation | % | > 700% |

ESD Control

Surface Resistivity	Ohms/cm2	10 E 9-11.
---------------------	----------	------------

Packaging Information

- 100 pcs in zipper pouch, 250 pouches in a shipping carton.
- 144 pcs (1 gross) in paper case, 100 cases in a shipping carton
- 5 gross (720 pcs) / Poly bag, 40 poly bags in a shipping carton
- 10 gross (1440 pcs) / Poly bag, 20 poly bags in a shipping carton.

Storage condition & Shelf Life

Storage indoor at dark place & lower than 25°C. Shelf life: 2 years from manufacturing date.

Test Report & Certification

- Safety Data Sheet
- ISO 9001
- CE registration no. DE/CA22/00176812
